

Two Year Old Class

Two year olds attend class on Mondays and Wednesdays from 9:00 a.m. until noon. This class costs \$120 a month. You may add an additional day (Fun Fridays) all of the time which makes tuition \$160 a month. Fun Fridays can also be attended on an occasional basis for \$12 a day.

The two year old class focuses on learning how to sit through circle time (calendar, weather, etc.), how to function in a group and how to follow directions. Colors, shapes, counting and zoo-phonics are taught in this class. Learning songs and poems through repetition are integrated throughout the curriculum. The children also learn Bible Stories that teach them about God's love for them.

The class includes free-play, craft time, playground and big room time as well.
