

Board of Public Relations: 2017 Pictorial Directory

October is the month for gathering family photographs for our new pictorial directory! It will be done in-house rather than using a professional company so there will be no obligation to order pictures. There will be three options for your pictures.

First, you may use your 2013 directory picture. The church has these photos on a CD, so you will just need to check the directory to see if your photo is suitable. Then call or email the church at 781-5845 or lcms@mtolivesc.org to let Mary know that you are using your 2013 photo.

The second option would be to send a digital copy of a professional photograph or one from a camera (not a mobile device) to the church at lcms@mtolivesc.org.

The third option is to have a family picture made at church on one of the first three Sundays in October the 1st, 8th, or 15th, or Saturday, October 7th. These photographs will be made by one of our members in Bill Boykin's office. You will get a copy of your photograph e-mailed to you. At this time, there will not be appointments. Just come to the room before or after worship services.

Plans are for the new directory to be distributed around the first of December. It will be in loose-leaf format so that pages can easily be added as needed. Thank you so much for your participation.

Please notify the church office if you have moved, changed phone numbers, or have a new email address.
