Odds and Ends:

Special Visitor!

Sasha, a therapy dog based at Island Lutheran Church in Hilton Head, SC, will be coming to visit the preschool on Monday, February 11th! She has been serving in the Comfort Dog Ministry for 3 years and works during visits 5 days a week! Since training dogs is costly, we are participating in a fund raiser along with Hearts for Jesus, to be used to help train dogs in the Southeastern District of the Missouri Synod during the month of February. Bring in your loose change and place it in the jar on the preschool table! For more information:

Dental Health Month

February is Dental Health Month. Have you taken your child to a dentist yet? It is recommended for children starting at age three!
