### ODDS and... ENDS

\*Thanksgiving Feast- Unfortunately, we will not be able to have our school-wide Thanksgiving Feast as we have done in the past due to COVID health and safety measures. It will be a regular school day for ALL classes and your child will have their feast with their classmates in their classroom.

Beginning next week, a **Tree of Thanksgiving** will be displayed upstairs in the church's narthex. It will have prayer bookmarks for our students and ways that the congregation can donate items to the preschool. I've attached these items for you, too, should you feel led to purchase items for your child's classroom or the preschool. Plus, the bookmark is a precious reminder to pray for your little one. 😊
