## MONTH

### Odds & Ends

#### Lexington County Mobile Library

The "book bus" visits our preschool every other week on Wednesdays. Students are able to go on and check out a book for their classroom library. They then learn how to return the book the next time it comes. We are so thankful to have this resource for our teachers and students! Be sure to ask them about it once they visit on Sept. 13<sup>th</sup>!

#### Scholastic Book Orders

If you would like to order from our monthly Scholastic order, online ordering is now the only option. Every book purchased for your home also gives us points to spend on books for the preschool!

### Upcoming Events
