During the month of April, and into May, we will continue to read through the book of Genesis.

“On its own, Genesis reads like a string of epic stories: a semi-tragic saga of a world that just keeps going wrong, despite its Creator’s intentions. But Genesis isn’t a stand-alone book. It is the first installment in the five-part *Torah*, the foundational first five books of the Old Testament. The Torah is Israel’s origin story: it is the history of how the nation of Israel got its population, its land, and its religion.” (from *Bible: The Beginner’s Guide* by Jeffrey Krantz, 2018.)
